FROM THE OFFICE OF SHARON MEALKA:

The Elementary staff and students have returned to our buildings. Everything is sparkling clean and ready for learning.

John Rahn did an excellent job of showing the students how, where, and why the fire started. He took us on a tour of the dorm, classroom, and the tunnel area where the smoke originated. The students were every impressed. They all seemed to understand a little better and became more relaxed.

A special thanks to John and all of his staff for their help in this process.

Yearbook Adviser's Office

November 16, 1990

Dear Parents,

Picture yourself again in high school, middle school, elementary school, or preschool -- can you recall all those faces and friends?

That may be asking a little too much, but chances are you'd have no trouble knowing where to find them all: in your yearbook.

As a parent, you realize that time tends to make some of those school memories a little fuzzy. Without your yearbook, many of the best memories of your school years might slip away. The same is true for your son or daughter.

One of the best ways to "get into the picture" with school memories is with a yearbook. By purchasing the 1991 "Oriole" yearbook now, you'll guarantee your son or daughter memorable times now and into the future, as they enjoy the fun of looking back through the yearbook.

The '1991 "Oriole" can be purchased now by filling out the bottom portion of this letter and returning with a check payable to ISD Yearbook for \$18.00 per copy. Your child's name can be printed on the front for \$2.50. Seniors should also include \$3.50 for mailing after the yearbooks arrive next fall. Deadline for ordering is December 21, 1990.

Make sure those special school memories remain in focus for years. Order a yearbook today.

Sincerely,

Nancy Thomas
